PATENT

REMARKS

Status of the Claims

Claim 1 is currently present in the Application and is an independent method

claim. Claims 2-47 have been canceled and no new claims have been added in this

Preliminary Amendment. Applicants are not conceding that the subject matter

encompassed by claims 1-47, prior to this Preliminary Amendment, are not patentable. Claim 1 was amended and claims 2-47 were canceled in this Preliminary Amendment

solely to facilitate expeditious prosecution of the remaining claim.

respectfully reserve the right to pursue claims, including the subject matter

encompassed by claims 1-47, as presented prior to this Preliminary Amendment, and

additional claims in one or more continuation and/or divisional patent applications.

Conclusion

As a result of the foregoing, it is asserted by Applicants that the remaining claim

in the Application is in condition for allowance, and Applicants respectfully request an

early allowance of such claims.

Applicants respectfully request that the Examiner contact the Applicants' attorney

listed below if the Examiner believes that such a discussion would be helpful in

resolving any remaining questions or issues related to this Application.

Respectfully submitted,
